

## Post-Bac Research Positions

State	Employer	Address	Job Title	Supervisor/Director Name	Supervisor/Director Contact Information	Description of Research
AZ	Arizona State University Prevention Research Center	College of Liberal Arts and Sciences Psychology Main Campus PO Box 871104 Tempe, AZ 85287	Research Assistant	Laura Chassin	480 965 1616	Alcoholism and Drug Abuse/dependence- purpose of study to enhance the understanding of intergenerational transmission for risk for Alcoholism and Drug Abuse/dependence
CA	UCLA Neurology	710 Westwood Plaza #4126 Los Angeles, CA 90095	Research Associate	n/a	n/a	Stroke research
CA	UCLA VA Medical Center - West Los Angeles VA Medical Center	Los Angeles, CA	Research Assistant	Charles Hinkin, PhD	n/a	Neuropsychology; HIV and hepatitis effects and neuropsychology
CA	National Center for PTSD	Palo Alto, CA	Research Health Science Specialist	Eve Carlson, PhD	n/a	Discrimination and Training Division in the VA Hospital
CA	University of California at San Diego	San Diego, CA	Research Assistant	Robin Weersing, PhD	rweersin@sciences.sdsu.edu	Early onset mood and anxiety; child and adolescent anxiety and mood program
CT	Olin Neuropsychiatry Research	Institute of Living Hartford Hospital 200 Retreat Ave Hartford, CT 06106	Research Assistant	Michael C Stevens	860 545 7552 msteven@harthosp.org	Measuring Suicidality in Adolescent Major Depressive Disorder Using fMRI research study

Column1

CT	Hartford Hospital - The Institute of Living	OLIN NRC Whitehall Bldg. 200 Retreat Ave. Hartford, CT 06106	Research Assistant	Dr. Michael C Stevens, PhD	860 545 7552 msteven@harthosp.org	Recruit participants and collect and maintain data for a functional neuroimaging study on adolescents with AD/HD
CT	Yale University READ: Regulation of Emotion and Anxiety Disorders Lab	405 Temple Street New Haven, CT 06511	Research Assistant	n/a	n/a	Research on conceptualizing mood and anxiety disorders through psychosociological experiments
CT	Yale University Department of Psychology	New Haven, CT	Research Assistant	n/a	n/a	Administered assessments for adolescent depression intervention. Clinical Diagnostic Interviews. Data entry and management.
CT	Yale Child Study Center	New Haven, CT	Research Assistant	n/a	n/a	Coded videos. Data management. Group meetings.
DC	American Psychological Association - Violence Prevention Program	750 First Street, NE Washington, DC 20002	Research Assistant	Director: <u>Julia Da Silva</u>	<i>Phone:</i> 202-336-5817 <i>Email:</i> jsilva@apa.org	Research on violence and injury prevention
DC	Child Trends/AIR	1990 K St. NW Suite 500 Washington, DC 20006	Research Assistant	Supervisor: <u>Dr. Jennifer Park</u>	<i>Phone:</i> 202-219-7002 <i>Fax:</i> 202-502-7455 <i>Email:</i> Jennifer.Park@ed.gov	Early childhood longitudinal study of birth cohort
DC	Children's National Medical Center - Infant and	111 Michigan Ave. NW Washington, DC 20010	Research Assistant	Supervisor: <u>Dr. Irene Chatoor</u>	<i>Phone:</i> 202-476-2089	Study of early disruptive behavior and early feeding disorders of infants

DC	Children's National Medical Center	Washington, DC	Research Assistant	Dr. Randi Streisand	585-732-7043	Data Management. Baseline assessing. Conduction of interviews. Peer reviewed paper analyzation.
DC	Children's National Medical Center	111 Michigan Ave. NW Washington, DC 20010	Study Coordinator	William Davis Gaillard MD	202 476-5000 e-mail unlisted	Neuroscience Clinical Research Team: Coordinate psychology clinical trials, administer and perform study visits. Maintain and enter study data. Contact sponsor companies, IRB, hospital departments, and patient families. Recruit
DC	Children's National Medical Center	Washington, DC	Research Assistant	n/a	n/a	Test Construction and Analyzation with a focus on neuropsychology
DC	Children's National Medical Center	111 Michigan Ave. NW Washington, DC 20010	Research Assistant	Karin Walsh, Psy D	202 476-5000 e-mail unlisted	Pediatric Neuropsychology
DC	Children's National Medical Center	111 Michigan Ave. NW Washington, DC 20010	Research Assistant	Lauren Kenworthy, PhD	lkenwort@cnmc.org	Neurodevelopmental Disabilities Fellow and Individual Development Plan
DC	Georgetown University - Center on Health and Education	3700 Reservoir Rd. St. Mary's 134 Washington, DC 20037	Research Associate	Director: <u>Dr. Sharon Ramey</u>	<i>Phone:</i> 202-687-1389 <i>Email:</i> sr22@georgetown.edu	Classroom conduct; effect of early education programs; classroom improvement
DC	Georgetown University - Center on Health and Education	3700 Reservoir Rd. St. Mary's 134 Washington, DC 20037	Research Associate	Director: <u>Dr. Sharon Ramey</u>	<i>Phone:</i> 202-687-2874	Study of a program designed to prevent child abuse and neglect among at-risk/low income families

DC	Georgetown University Medical Center - Department of Neurology	4000 Reservoir Rd NW Building D Rm. 207 Washington DC 20057	Research Assistant	Supervisor: <u>Dr. Rhonda Friedman</u>	<i>Phone:</i> 202-784-4134 <i>Email:</i> friedmar@georgetown.edu	Behavioral and neuropsychological testing of healthy young and elderly adults as well as adults with brain damage due to stroke, head injury, tumor, etc.
DC	Georgetown University Hospital - Department of Psychiatry	Washington, DC	Research Assistant	n/a	n/a	Study of depression, anxiety, and PTSD severity after treatment
DC	Georgetown University - Department of Oncology	Washington, DC	Research Assistant	Mark Schwartz	<i>Phone:</i> 202-687-0185 <i>email:</i> schwartm@georgetown.edu	Fisher Center for Familial Cancer Research
DC	Georgetown University Medical Center	3800 Reservoir Road NW Washington, DC 20007	Research Assistant	Supervisor: <u>Dr. Mary Ann Dutton</u>	<i>Phone:</i> 202-687-1997	A study of trauma- interventions on low-income abused women
GA	Emory University Dept. of Psychiatry and Behavioral Sciences	Dept. of Psychology, 101 Woodruff Circle, Suite 4000, Atlanta GA 30322	Research Assistant	Supervisor: Dr. W. Edward Craighead	<i>Phone:</i> 404-712-8383 <i>email:</i> ecraigh@emory.edu	Child and adolescent mood program and adult treatment program; studies of predictors of outcome in medication and CBT treatment
IA	University of Iowa Hospital and Clinic - Iowa Psychiatry Neuroimaging Consortium Lab	Iowa City, IA	Research Assistant	Peg Nopoulos, MD	<i>Phone:</i> 319-384-9264	

MA	Brigham & Women's Hospital - Harvard Med School	1249 Boylston St., 3rd Floor Boston, MA 02215	Research Coordinator	Martha Shenton	617-525-6117 shenton@bwh.harvard.edu	Study of schizophrenia by post-processing structural MRI, fMRI, and diffusion tensor images- examine differences between healthy volunteers and psychiatric patients.
MA	Children's Hospital Boston - Division of General Pediatrics	300 Longwood Ave. Boston, MA 02115	Research Assistant	Supervisor: <u>Dr. Judith Palfrey</u>	Phone: 617-355-4661	Self-injurious behavior, suicidal ideation, and conduct disorder
MA	Boston University Translational Research Program	648 Becon St, 6th Floor Boston, MA 02215	Research Technician	Michael W Otto, PhD	617-353-9609 mwotto@be.edu	Data collection , assessment of opiate-dependents in methadone clinic, phone screening subjects for presence of panic disorder, IRB correspondence, collecting and mailing genetic samples
MA	Massachusetts General Hospital	55 Fruit St. YAW 6900 Boston, MA 02114	Research Coordinator	Thomas Spencer, MD	tspencer@partners.org	Coordinated Research studies in the Pediatric Psychopharmacology Research Unit. Examined neurological correlates of ADHD to studying efficacy of cognitive retraining methods for adolescent depression
MA	Massachusetts General Hospital	185 Alewife Brook Parkway Suite 2000	Clinical Research Assistant	Dina R. Hirshfeld-Becker, PhD	617- 503-1408 dhirshfeld@partners.org	High Risk Studies Program. Risk Factors for adverse outcome among pre-school offspring of parents with bipolar disorder. Other studies ADHD and depression

MA	Massachusetts General Hospital,	Center for Human and Genetic Research Richard B. Simches Research Center 185 Cambridge St., 6th Floor Boston, MA 02114	Project Coordinator	S. Evelyn Stewart, MD Harvard Medical School	617-724-6300 stewart@pngu.mgh.harvard.edu	OCD disorder studies- assist with grants, IRB, SPSS data, recruitment.
MA	Massachusetts General Hospital	55 Fruit St. Warren 705 Boston, MA 02114	Clinical Research Assistant	Supervisor: <u>Dr. Larry Seidman</u>	Phone: 617-998-5039	MRI studies of the neuroanatomy of child and adult ADHD
MA	Massachusetts General Hospital Pediatric Psychopharmacology Unit	185 Alewife Brook Parkway Suite 2000	Clinical Research Assistant	Janet Wozniak	617 503 1063 jwozniak@partners.org	Longitudinal Family Study of Pediatric Bipolar Disorder
MA	Massachusetts General Hospital	149 13th Street Charlestown, MA 02129	Research Assistant	Director: <u>Dr. Deborah Blacker</u>	Phone: 617-726-4460 Fax: 617-726-5571 Email: blacker@psych.mgh.	Neuropsychological testing of patients with Alzheimer's
MA	Massachusetts General Hospital: OCD and Related Disorders	Simches Research Building 185 Cambridge Street, Suite 2000 Boston, MA 02114	Research Assistant	Sabine Wilhelm, PhD	Phone: 617-724-6146	

MA	Massachusetts General Hospital: Eating Disorder Clinic and Research Program	Wang Ambulatory Center 55 Fruit Street Boston, MA 02114	Research Assistant	Anne Becker, MD, PhD	<i>n/a</i>	Eating disorders clinical and research program; psychological effects in rapid social change; literature reviews
MA	Massachusetts General Hospital- Pediatric Psychopharmacology and Adult ADHD	Boston, MA	Research Assistant	Craig Surman	<i>n/a</i>	Children and adults with ADHD-NOS; particularly academic functioning
MA	Massachusetts General Hospital: Center for Psychodynamic Therapy and Research	Boston, MA	Research Assistant	Robert Waldinger	<i>n/a</i>	
MA	Massachusetts General Hospital	MGH Pediatric Psychopharmacology Unit 185 Alewife Brook Pkwy Ste 2000 Cambridge, MA 02138	Research Assistant	Aude Henin, PhD	<i>Phone: 617 -503-1417</i>	
MA	Massachusetts General Hospital Pediatric Psychopharmacology Unit	185 Alewife Brook Parkway Suite 2000	Clinical Research Assistant	Janet Wozniak	<i>617 503 1063 jwozniak@partners.org</i>	Investigating the genetics of pediatric bipolar disorder

MA	Massachusetts General Hospital Behavioral Medicine Service	One Bowdoin Square, 7th Floor Boston, MA 02114	Research Coordinator/ Researcher	Supervisor: <u>Dr. Steven Safren;</u> <u>Dr. Susan Sprich</u>	Department of Psychiatry Phone: 617-724-0817	CBT for medication adherence & depression in HIV positive patients; CBT for adult ADHD
MA	McLean Hospital-Harvard Medical School	McLean Hospital 115 Mill St, Belmont, MA 02478	Clinical Research Assistant	Mary C. Zanarini, Ed.D.	617 855 2660 no e-mail provided	Research on Borderline Personality Disorder and Adult Development Studies. Responsible for tracking, scheduling, and conducting clinical interviews to participants.
MA	McLean Hospital-Harvard Medical School	McLean Hospital 115 Mill St, Belmont, MA 02478	Research Assistant/ Mentor	Carol Brown	n/a	Cole to Teen Education Project; mentor to teens with mood, anxiety, substance abuse and disruptive behaviors disorders
MA	Judge Baker Children's Center, Harvard Medical School	53 Parker Hill Ave. Boston, MA 02120 (617) 232-8390	Research Assistant for John Weisz and colleagues	Contact: Kimberly Manuel	<a href="mailto:manuel@jbcc.harvard.edu">manuel@jbcc.harvard.edu</a>	Effectiveness trial of CBT for depression & anxiety; behavioral parent training for conduct problems; school-based depression treatment
MA	National Center for PTSD	VA Boston Healthcare System, 150 S. Huntington Ave., Boston, MA 02130	Psychology Technician (research asst.)	Brett T Litz, PhD	Brett.Litz@va.gov	Assisted in research methods development, grant preparation, IRB correspondence, database management, statistical analysis, literature searches, and manuscript prep for PTSD studies.

MA	National Center for PTSD	VA Boston Healthcare System, 150 S. Huntington Ave., Boston, MA 02130	Psychology Technician (research asst.)	contact: Jaimie Gradus	jaimie.Gradus@va.gov	Data collection and entry, statistical analysis, library research, PTSD educational programs, manuscript preparation
MA	National Center for PTSD	VA Boston Healthcare System, 150 S. Huntington Ave., Boston, MA 02130	Research Technician	Denise Sloane, PhD	n/a	
MA	University of Massachusetts Medical School		Research Technician	Ruth Grossman		Kids with Autism at the EK Shriver Center
MD	Dept. of Psychiatry, Research Internship Program, Kennedy Krieger Institute	707 N. Broadway Baltimore, MD 21205 443-923-7618	Research Intern	contact: JoAnne Smith, Administrative Coordinator		smithj@kennedykrieger.org
MD	University of Maryland School of Medicine		Research Assistant	n/a	n/a	Studies on cessation of Alcohol/Tobacco Use and Schizophrenia

MD	Johns Hopkins University- Department of Psychiatry and Behavioral Sciences, Division of Child and Adolescent Psychiatry	550 N Broadway St. /Suite 201 Baltimore, MD 21205	Research Program Assistant	Dr. Cortney Keeton	410-614-5174 ckeeton@jhmi.edu	Weight gain "Impact" study among children who have taken antipsychotic medication. Recruiting participants; screenings; scheduling; data collection; maintaining IRB correspondence.
MD	Johns Hopkins University - Behavioral Pharmacology Research Unit	5510 Nathan Shock Drive Suite 300 Baltimore, MD 21224	Research Data Assistant	Supervisor: <u>Dr. Miriam Mintzer</u>	<i>Telephone:</i> 410-550-0529 <i>Fax:</i> 410-550-0030 <i>E-mail:</i> nmintzer@jhmi.edu	Examination of opiate-dependent populations; research in human cognitive psychopharmacology
MD	Johns Hopkins University Medical Center- Division of Child and Adolescent Psychiatry	Baltimore, MD	Research Assistant	n/a	n/a	Data compilation and analysis. Psychological experiment conduction with cognitive behavioral adolescent patients.
MD	Johns Hopkins Dept. of Psychiatry	Baltimore, MD	Research Assistant	Dr. Golda Ginsburg	<a href="http://www.hopkinsmedicine.org/Psychiatry/research/volunteers.html#ANXIETY">http://www.hopkinsmedicine.org/Psychiatry/research/volunteers.html#ANXIETY</a> 443-287-4349	children of parents with anxiety disorders

MD	Johns Hopkins University - Department of Psychiatry and Behavioral Sciences	Baltimore, MD	Research Assistant	n/a	410-550-9022	Neuropsychological testing.
MD	John Hopkins School of Public Health	Dept. of Mental Health Bloomberg School of Public Health 624 N. Broadway Baltimore, MD 21205	Research Assistant	Dr. Tamar Mendelson, PhD	410 955 3910	Culture as a moderator of social determinants and cognitive vulnerabilities of Latino adolescents  Also: with Dr. Amy Tsui: Male's Perspective on Managing Unplanned Pregnancies in Peru and Mexico
MD	Johns Hopkins University	Johns Hopkins Hospital CMSC 346 600 North Wolfe St Baltimore, MD	Research Coordinator	Susam dosReis, PhD	410-955-6181 sdosrei1@jhmi.edu	Qualitative study of children and parents with ADHD
MD	Johns Hopkins Bayview Medical Center	5300 Alpha Commons Drive, 4th Floor, Baltimore MD 21224	Research Assistant	Dr. Constantine Lyketsos, Professor of Psychiatry	410-550-0062	
MD	Johns Hopkins University: Department of Mental health	Dept. of Mental Health Bloomberg School of Public Health 624 N. Broadway Baltimore, MD 21205	Fidelity Research Coordinator	George Rebok, PhD	grebok@jhsph.edu	

MD	University of Maryland - Psychiatric Research Center	22 S. Greene Street N4W46 Baltimore, MD 21201	Research Assistant	Supervisor: <u>Dr. James Gold</u>	Phone: 410-402-7871	Decision-making and reward processing in patients with schizophrenia
MD	NIH- Child Psychology Branch- NIMH	10 Center Dr, Rm 3N202 (MSC-1600) Bethesda MD 20892	IRTA post-baccalaureate fellow: Research Assistant	Judith Rapoport, MD	301 402 0296	Clinical, treatment, brain imaging and genetic protocols - Child Psychiatry Branch
MD	National Institutes of Health - NIMH Clinical Brain Disorders Branch	10 Center Dr., Room 4C-216Bldg. 10 Rm. 3c-205 Bethesda, MD 20009	IRTA post-baccalaureate fellow: Research Assistant	Supervisor: <u>Dr. Stefano Marengo</u>	Phone: 301-435-8964	Neuroimaging of disruptions in brain connectivity and neurochemical abnormalities in schizophrenia
MD	National Institute of Mental Health	10 Center Dr., Room 4C-216 Bethesda, MD 20009	IRTA post-baccalaureate fellow: Research Assistant	Phillip Shaw		Anomalities in brain of children with ADHD; neuroimaging
MD	National Institutes of Health - NIMH	10 Center Dr., Room 4C-216 Bethesda, MD 20009	IRTA post-baccalaureate fellow: Research Assistant	Supervisor: <u>Dr. Joseph Callicott</u>	Phone: 301-402-3081 Email: callicottj@mail.nih.gov	Study of neural correlates of cognition using fMRI in genetic studies of schizophrenia
MD	National Institutes of Health - Mood and Anxiety Disorders Program	9000 Rockville Pike Bethesda, MD 20892	IRTA post-baccalaureate fellow: Research Assistant	n/a	n/a	Neuropsychological testing of elderly and schizophrenics

<http://www>

MD	National Institute of Health - Mood and Anxiety Disorder Program	9000 Rockville Pike Building 10/Rm. 7SE3445 Bethesda, MD 20892	IRTA post-baccalaureate fellow: Research Assistant	Director: <u>Dr. Carlos Zarate</u>	Phone: 301-402-9359	Neuropsychological testing
MD	National Institutes of Health Mood and Anxiety Disorders Program	15K North Drive Bethesda, MD 20892	IRTA post-baccalaureate fellow: Research Assistant	Supervisor: <u>Dr. Daniel Pine</u>	Phone: 301-402-2352	Assessment of children with anxiety and depression and its relation to attention and emotional memory
MD	National Institutes of Health - Unit on Affective Cognitive Neuroscience	9000 Rockville Pike Bethesda, MD 20892	IRTA post-baccalaureate fellow: Research Assistant	Supervisor: <u>Dr. James Blair</u>	Phone: 301-496-5198	Mood and anxiety disorders
MD	National Institutes of Mental Health Mood and Anxiety Disorders Program	9000 Rockville Pike Bethesda, MD 20892	IRTA post-baccalaureate fellow: Research Assistant	Christian Grillon PhD	301 594 2894	Psychopharmacology- Cortisol's effect on fear and anxiety- Virtual reality fear conditioning- Anxiety
MD	National Institutes of Health	9000 Rockville Pike Bethesda, MD 20892	IRTA post-baccalaureate fellow: Research Assistant	Supervisor: <u>Dr. Monique Ernst</u>	Phone: 301-402-9355	FMRI studies of youth with anxiety and/or depression and health youth

MD	National Institute of Mental Health	15K North Drive Bethesda, MD 20892	IRTA post-baccalaureate fellow: Research Assistant	Supervisor: <u>Dr. Stephen Sinclair</u>	Phone: 301-594-0234 Email: sinclairs2@mail.nih.gov	Post traumatic stress disorders; mood and anxiety disorders
MD	NIH- Child Psychology Branch- National Institute on Alcohol Abuse and Alcoholism	10 Center Dr., MSC-1540 Bldg 10 (CRC) Rm 2-2352 Bethesda, MD 20892	IRTA post-baccalaureate fellow: Research Assistant	Vijay Ramchandani, PhD	301 402 8527 vijayr@mail.nih.gov	data entry and analysis, handle and process human biomarkers, assist clinicians in clinical procedures including interviewing inpatients and administering clinical scales
MD	National Institutes of Health - National Institute of Neurological Disorders & Stroke	Building 10, Room 7D43 Bethesda, MD 20892	Research Assistant	Supervisor: <u>Dr. Jordan Grafman</u>	Phone: 301-496-0220 Fax: 301-480-2909 Email: GrafmanJ@ninds.nih.gov	Cognitive testing and neuroimaging of patients with focal lesions due to head injury or stroke and dementia patients
MD	Uniformed Services University of the Health Sciences	4301 Jones Bridge Road, Bethesda, MD 20814	Research Assistant	Marian Tanofsky-Kraff, PhD		Eating Disorders, Loss of Control; EDE administration; screening
MI	U of Michigan, Chronic Pain Res Center	Dprt of Anesthesiology Lobby M 24 Frank Lloyd Wright Dr. PO Box 385	Study Coordinator	David Williams, PhD	davewms@umich.edu (734) 998-6865	Pain Control- Chronic Pain and Fatigue

NC	University of Michigan- Department of Psychology	530 Church St. Ann Arbor, MI 48109	Lab Manager and Study Coordinator	Susan G L Huetwell	734.764.0268	Assessed conceptual and developmental language learning in young children. Developed protocols, tested participants etc.
NC	Duke - UNC Brain Imaging and Analysis Center	Durham, NC	Research Coordinator	Rajendra Morey MD	919 416 5912	Brain imaging studies
NC	Duke University Medical Center	718 Rutherford Street Durham, NC 27705	Data Technician/R eseach Assistant	Scott Kollins, PhD	919-416-2096	ADHD, NIDA-funded human psychopharmacology; smoking and ADHD
NC	Duke University Medical Center	DUMC 3527 Durham, NC 27710	Lab Manager	Alfiee M. Breland- Noble, PhD	brela001@mc.duke. edu	
NH	Dartmouth Medical School	Concord, NH	Intern (research?)	Supervisor: Dr. Susan R. McGurk	603-271-5747	Neuropsychology intern. Conduction of cognitive remediation sessions for traumatic brain injury patients as well as neuropsychological assessments.
NJ	Grad School of Applied Professional Psychology Rutergers Univ	152 Frelinghuysen Rd. Piscataway, NJ 08854	Project Manager	Linda Reddy, PhD Director of the Child ADHD and ADHD-Related Disorders Clinic	732-445-2000	Coordinated all contact. Compute descriptive and reliability analyses. Assist in construct development and intern revision. Coordinate testing
NJ	University of Medicine & Dentistry of New Jersey - New Jersey Medical School	Behavioral Health Sciences Building 185 South Orange Avenue P.O. Box 1709 Newark, NJ 07101	Research Assistant	Supervisor: <u>Dr.</u> <u>Celena Martino</u>	<i>Phone: 973-972- 8254</i>	Hippocampal vs. basal ganglia learning in depression; clinical neuropsychology research

NJ	University of Medicine & Dentistry of New Jersey - New Jersey Medical School	Behavioral Health Sciences Building 185 South Orange Avenue P.O. Box 1709 Newark, NJ 07101	Research Assistant	Supervisor: <u>Dr. Georgios Petrides</u>	Phone: 973-972-1606 Email: <a href="mailto:petridge@umdnj.edu">petridge@umdnj.edu</a>	Electroconvulsive therapy (ECT) research
NJ	Rutgers University	101 Warren Street, Smith Hall, Rm. 340 Newark, NJ 07102	Research Assistant	Mauricio Delgado, PhD	<a href="mailto:delgado@psychology.rutgers.edu">delgado@psychology.rutgers.edu</a>	fMRI with positive and negative reinforcements; fMRI and social closeness
NY	Mount Sinai School of Medicine	One Gustave Levy Place Box 10-65 New York, NY 10029	Research Coordinator	Eric Nestler, PhD	212 659 5656 <a href="mailto:eric.nestler@mssm.edu">eric.nestler@mssm.edu</a>	Mouse Study - Mouse colony maintenance - weaning and genotyping
NY	NYU School of Medicine	215 Lexington Avenue 13th Floor New York, NY 10016	Research Assistant	Jean-Marie Bruzzese	212 263-3667 <a href="mailto:jean-marie.bruzzese@nyu.org">jean-marie.bruzzese@nyu.org</a>	Family intervention: Helping students overcome barriers to treatment- High school students with undiagnosed asthma and their parents - implement intervention
NY	Nordoff-Robbins Center for Music Therapy	82 Washington Square East 4th Floor New York, NY 10463	Research Coordinator	Alan M Turry	212 998 5151 <a href="mailto:nordoff.robbsins@nyu.edu">nordoff.robbsins@nyu.edu</a>	Music therapy - applied psychology research - typical research coordinator tasks

NY	Continuum Health Partners	St. Luke's-Roosevelt Hospital Behavioral Science Research 1111 Amsterdam Ave 11th Fl	Research Assistant	Supervisor: <u>Dr. Michelle Acosta</u>	Phone: 212-523-6977 Email: macosta@chpnet.org	Study of adolescents with ADHD and substance abuse disorders
NY	Columbia University Dept of Psychology	Schermerhorn Hall, Rm 406 1190 Amsterdam Ave. New York, NY 10027	Research Coordinator	Niall Bolger	212 854 0127 coupleslab@psych.columbia.edu	Investigating the role social support plays for individuals and couples dealing with stressful life events
NY	Columbia University/ New York State Psychiatric Institute - Division of Child & Adolescent Psychiatry	1051 Riverside Drive, Unit 74 New York, NY 10032	Research Assistant	Supervisor: <u>Dr. Andrew Gerber</u>	Phone: 212-543-5104	Clinical assessment, neuropsychological testing and neuroimaging of cognitive brain processes
NY	Columbia University/ New York State Psychiatric Institute - Division of Clinical Therapies	1051 Riverside Dr., Unit 98 New York, NY 10032	Research Coordinator	Timothy B Walsh 212 543 5752 and Evelyn Attia, MD 212.543.5923		Eating Disorder Research Unit-Coordinate Projects Study of Imaging of Dopamine Systems in Anorexia- "Behavioral Assessment of Motivation to Eat"

NY Columbia University Medical Center New York, NY Research Assistant Catherine Monk Behavioral medicine; prenatal stress, anxiety, and depression; observing the effects of these on infant development with physiological markers

NY	Columbia University School of Social Work	1255 Amsterdam Ave. New York, NY 10027	Project Coordinator	M. Katharine Shear, MD	<i>ks2394@columbia.edu</i>	
NY	Mailman School of Public Health - Columbia University	New York, NY	Research Assistant	Lawrence Yang		Intervention program; Chinese-American schizophrenia and its effects on the family; schizophrenia in adolescents
NY	New York University - Child Study Center	550 First Avenue Child Study Center Eastbridge/Child Study Center New York, NY 10016	Research Assistant	Carrie L Masia-Warner, PhD		CBT for anxiety in children and adolescents; group therapy and screening
NY	New York University - Child Study Center	Institute for Prevention Science 577 First Avenue New York, NY 10016	Research Assistant	Jean-Marie Bruzzese		Efficacy of asthma education and parent training; quality of life for children with asthma

NY	New York University - Child Study Center	Institute for Prevention Science 577 First Avenue New York, NY 10016	Research Coordinator	Laurie Brotman, PhD	<i>laurie.brotman@nyu mc.org</i>	
NY	New York University	New York, NY	Research Assistant	David Amodio, PhD		Group membership and the influence of this on face processing; social psychology
NY	NY State Psychiatric Instit Substance Abuse Research Cntr	1051 Riverside Dr., New York, NY 10032	Research Coordinator	Sandra Comer PhD	<i>unlisted</i>	Opiate Abuse research- screen subjects- bio samples, PET MRI
NY	New York State Psychiatric Institute - Department of Psychiatry Division of Child & Adolescent Psychiatry	1051 Riverside Drive, Unit 78 New York, NY 10032	Research Assistant	Supervisor: <u>Dr. Madelyn Gould</u>	<i>Daytime Phone : 212-543-5329 Fax : 212-543-5966</i>	Study of teenage bullying as a risk for later depression and suicidality; help-seeking by at risk youth after suicide screenings & link between sudden death and psychotropic medication in youth
NY	New York Psychiatric Institute - Division of Clinical and Genetic Epidemiology	1051 Riverside Drive, Unit 74 New York, NY 10032	Research Coordinator	Dr. Richard Neugebauer	<i>not listed</i>	PTSD post-genocide Rwandan youth- also Depression research

NY	New York Psychiatric Institute - Division of Clinical and Genetic Epidemiology	1051 Riverside Drive, Unit 74 New York, NY 10032	Research Assistant	n/a	n/a	Genetic causes of major depressive disorder investigation
NY	New York Psychiatric Institute - Division of Substance Abuse	1051 Riverside Drive, Unit 74 New York, NY 10032	Research Assistant	Supervisor: <u>Dr. Margaret Haney</u>	Phone: 212-543-6539 Fax: 212-543-5991 Email: mn235@columbia.edu	Study of potential psychopharmacological treatments for cocaine-dependent individuals
NY	New York Psychiatric Institute	New York, NY	Research Technician	Supervisor: <u>Judy Wicks</u>	n/a	Interviews of children with severe emotional disturbance and their parents
NY	New York State Psychiatric Institute	New York, NY	Principal Research Coordinator	Ronit Kishon, PhD	n/a	N/A
NY	New York Psychiatric Institute - Columbia	New York, NY	Research Assistant	Nehal Vadhan		Neuropsychology assesment and structured clinical interviews; chronic cocaine abusers; schizophrenia and marijuana-usage risk
NY	Montefiore Medical Center Adolescent Suicide and Depression Program	111 East 210th St Bronx, NY10467	Research Assistant	Alec Miller	718-920-7666 alecmiller@msn.com	Adolescent and Child Suicide within an at-risk population. Compiled database. Assisted with SPSS data analysis. Lit searches

NY Montefiore Headache Center/Albert Einstein College of Medicine Bronx, NY Study Coordinator/Research Assistant Dawn Buse, PhD dbuse@montefiore.org Study coordinator and potential opportunity for abstract preparation, poster development, and writing manuscripts based on ability

NY	Montefiore Headache Center/Albert Einstein College of Medicine	Bronx, NY	Study Coordinator/Research Assistant	Dawn Buse, PhD	dbuse@montefiore.org	Study coordinator and potential opportunity for abstract preparation, poster development, and writing manuscripts based on ability
